

Reporting Military-Connected Children

BACKGROUND

The Michigan Department of Education (MDE) is supporting a national initiative to support the children of military families. As part of this support, we are asking local education agencies (LEA) and public school academies (PSA) to identify their military-connected students.

DEFINITION OF MILITARY-CONNECTED CHILDREN

All children residing in Michigan whose parent(s) currently serve in any component of the Army, Navy, Air Force, Marines, or Coast Guard are considered to be military-connected children. This includes the children of any uniformed personnel serving with the Michigan National Guard, in any of the Reserve United States forces, or on Active Duty.
